WEREWOLF LIVE - £600

Draughts is working with Treehouse to bring you one of the most acclaimed live gaming experiences in the UK. Hosted by professional Werewolf expert Jon Gracey, you and your guests will be transported to a village under siege from the forces of darkness. Some of your guests will be werewolves in disguise, and the rest must work together to identify them before it's too late. It's half-theatre, half-board game but completely hilarious.

An evening of social deduction games, moderated by a games master (with theatrics).

Prizes awarded at the end of the night for best liar, worst liar, smartest sleuth etc

Games Available: Murder in Hong Kong, One Night Ultimate Werewolf, Avalon, Two Rooms and a Boom

The Highly Inappropriate - nothing but party games:

A games master organising a selection of party games designed for groups who know the best and the worst about each other

Games Available: Say Anything, Say Whaaat?, Truth Bombs, Cards Against Humanity, You've Got Crabs
